# Application of Republic of Finland to join European Marine Biological Resource Centre research infrastructure consortium as a Member

The Republic of Finland hereby requests to become member of the European Marine Biological Resource Centre - ERIC (EMBRC-ERIC) with the rights and obligations as set out in the statutes of EMBRC-ERIC. The initial commitment as a member will be five years. Finland requests to become a member from January 2024.

The representing entity to be named in Annex 1 of the EMBRC-ERIC statutes is Ministry of Education and Culture.

The delegates representing Finland at the EMBRC-ERIC General Assembly will be:

- Senior Science Adviser, Ph. D. Jaana Lehtimäki, Research Council of Finland
- Director, Ph. D. Jouni Heiskanen, Biological Research Stations, University of Helsinki

The membership request includes a statement undersigned by University of Helsinki and Finnish Environment Institute on contributions to EMBRC-ERIC mission and activities (following Article 7 of the EMBRC statutes) and list of Finnish Nodes and Node Operators as annex 2.

For the Government of the Republic of Finland,

Permanent Secretary

Anita Lehikoinen
